Enterprise Time Recording Solutions CFR 20/20

Biometric Face Recognition Time Clock

[Enterprise Time Recording Solutions Compumatic CFR 20/20](#)

The most advanced biometric Time & Attendance solution for your small business. High speed touchless operation where employees can just look at the clock to punch in & out. The cutting edge technology is designed for cost effective Time & Attendance applications. The CFR 20/20 reduces time theft, buddy punching and improves payroll accuracy.
